

## COMMUNITY BASED

- IJM workers live in the communities in which they operate
- Locals are trained to stop and deal with cases of trafficking

## LINKED WITH LOCAL GOVERNMENT - SUSTAINABILITY

- Local law enforcement trained in trafficking prevention
- Legal system improved to bring successful prosecution of perpetrators

# THE SOLUTION: IJM'S MISSION

## PERSONAL CARE

- Children placed in aftercare facilities to help them recover from their abuse
- Specific trauma-focused therapy

## SUCCESSFUL INTERVENTION

- 57+ victims rescued in the past year
- 75-86% reduction in minors available for sex/cybersex across 3 cities in the Philippines
